INT. MOFE'S HOUSE - BEDROOM - NIGHT

Soft music is playing in the background. CHICHI and MOFE are on the bed, CHICHI's wearing one of MOFE's shirts, but her legs are bare. MOFE is staring up at the ceiling, lost in thought.

CHICHI
You want me to leave?

MOFE
No, why?

CHICHI
You haven't said a word in almost 30 minutes. I thought you were asleep.

MOFE
Sorry.

CHICHI
What's on your mind?

MOFE
I'm not sure. It's not just one thing -

CHICHI
Business?

MOFE
No, more like - life.

CHICHI
Life?
(snorts)
What's going with you? Life? What does that mean?

MOFE gets out of bed and strolls to the window to look out...

MOFE
What d'you want, Chichi?

CHICHI
What d'you mean?

MOFE
I mean, what d'you want?

CHICHI
You mean, from life?

MOFE
Life, everything -

CHICHI

I want to be rich. And I want to be free.

MOFE

D'you want to get married? Have kids? Settle down?

CHICHI chuckles.

CHICHI

I still remember what that did to my mother, no thanks.

MOFE

You'd rather be alone?

She joins him at the window and cuddles him

CHICHI

But I'm not alone.

(beat)

Is this about the visit from your parents?

MOFE

Yes.

CHICHI

The excuses aren't working anymore?

MOFE

No.

CHICHI

So, how long do you have?

MOFE

Six months.

CHICHI

Looks like we have a new project. I'll have some options on your desk tomorrow morning.

MOFE

Options?

CHICHI

This is a project, Mofe. We only have six months. We have work to do.
