

BGI AIDE/ECCENTRIC DESIGNER

INT. DESIGNER 4'S STUDIO - MORNING

A rather ECCENTRIC DESIGNER sweeps into the room with an identical gown that DERE wore to the party. She smiles knowingly.

ECCENTRIC DESIGNER

I told you! It's one of mine!
Exquisite lines, bold colours and
simple design...

BGI AIDE

Do you still have the details of
the woman who bought the dress?

ECCENTRIC DESIGNER

Are you police?

BGI AIDE

No, we're not police. But you could
get a reward for helping us to
track down the person who wore this
dress -

ECCENTRIC DESIGNER

She didn't buy one, she bought
four! With accessories!

(beat)

I cannot give you her details, that
is confidential, but -

BGI AIDE

Yes?

ECCENTRIC DESIGNER

I will call the client, and find
out if it is okay to give you her
number.

BGI AIDE

(relief)

Thank you.
