

INTERVIEWER

A FEMALE INTERVIEWER intercepts the dashing dressed trio, and thrusts both the mike and camera in their faces.

INTERVIEWER

Mofe! Good evening!

CHICHI

(Intercepting)

Mr. Badmos will be giving an interview later in the evening.

INTERVIEWER

(Ignoring her)

Mofe - can you confirm the rumours that you're on the hunt for a Mrs?

MOFE

(impassively)

Every bachelor is always on the hunt for a soulmate...

INTERVIEWER

But the rumour is that the future of BGI rests on you finding that soulmate. Care to comment...

MOFE

(unperturbed)

BGI is an international business. But we're not discussing business tonight, we've come to have a good time...
