ANDREW

INT. SCIENCE LAB - DAY

Andrew, a young lecturer, and one other guy are fumbling with setting up the projector and getting it to work. Andrew curses, upset

ANDREW
Technology has a knack of failing
you when you need it!

SADE (O.S.)
Let me take a look at it

He looks up to see Sade. He gives her a skeptical look

ANDREW
What are you? An electrician?

SADE
(smiles)
No, just very good with gadgets
(a beat; mocking)
May I?

Andrew studies her a few moments then moves back to let her check it out. Sade examines the projector and the computer. She checks the cable,

ANDREW
It's not the HDMI

Sade doesn't answer him as she keeps checking. She presses a button on the projector and suddenly it displays. She smiles in triumph at Andrew who almost looks impressed but refuses to show it

ANDREW (CONT'D)
What did you do?

SADE
I switched the projector to
computer mode rather than TV mode

She waits, thinking he will thank her. Andrew holds her gaze and then...

ANDREW

Let's settle down and start this
test, we are way behind schedule!

Sade gives him a look, a hint of a smile on her face then
goes to her seat. Deji watches her as she takes her seat
