## **BELLA**

INT. SCIENCE LAB - DAY

Deji is seated and reading from his textbook, Bella walks up to him

BELLA  
Hi Deji

Deji looks up at her coldly and then turns back to his book

DEJI  
Hi

BELLA  
What's with you these days? You've been so cold towards me.

Silence

BELLA (CONT'D)  
Does it have to do with Frank?

Silence

BELLA (CONT'D)  
Fine, don't talk to me

She is about to walk off when...

DEJI  
What is it about him?

BELLA  
Excuse me?

DEJI  
I can understand all the pretty, shallow and easily excitable girls Frank hangs out with but you?

BELLA  
What about me? I'm too ugly, intelligent or boring to get a guy's attention or to even enjoy it when it finally comes, or am I supposed to feel guilty if..

DEJI

I'm sorry, I didn't mean it that way

BELA

Yes you did but it's fine.

DEJI

I just don't know why you would want to be with him

BELLA

First of all I am not with him. Secondly, I don't see why it bothers you so much or is there something you want to tell me?

DEJI

No

BELLA

Fine! See you around then

She leaves and Deji hits himself on the forehead.

DEJI

Idiot!
