BRENDA

Deji opens up the Charlie cool series and is about to start reading when someone taps him on the shoulder. He turns around and BRENDA, the hottest girl in the class is standing behind him

BRENDA

Hi!

Deji looks over his shoulder, then realizes that Brenda is indeed talking to him. Deji opens his mouth to answer but nothing comes out

BRENDA (CONT'D)

Are you okay?

Deji nods his head

BRENDA (CONT'D)

You're Deji right?

Deji nods his head again, still unable to say anything

BRENDA (CONT'D)

I'm Brenda

Deji's voice box finally opens

DEJI

I know

BRENDA

(smiles brightly)
Great! I'm having some trouble with my chemistry courses and I was hoping you could tutor me sometime

DEJI

Err... okay, err... when would you want to start?

BRENDA

DEJI
No.. No I'm not. Emmm... Let's go
sit over there

They move to an empty seat and sit down. Deji brings out his
books

DEJI (CONT'D)
So which of the topics are you
having trouble with?

BRENDA
All of them

Deji turns to her in surprise and she bats her eyelids at
him, smiling sweetly

DEJI
Oh okay, not a problem, we'll just
start at the beginning

BRENDA
That would be awesome

Deji opens his textbook and peruses for a few seconds till he
settles on a topic

DEJI
Okay let's start with acids and
bases
