DEJI

INT. FRANK'S HOUSE - LIVING ROOM - EVENING

Tobi and Deji are sitting on the couch playing computer games

TOBI

It's already 3 to 1. At what point are you going to agree I'm whupping your butt?

DEJI

Relax man! It's best of 10. It's still anybody's game

TOBI

Yeah, anybody but you!

DEJI

I hope those words tasted sweet coming out of your mouth 'cause you'll have to swallow them very soon

TOBI

Till then... Take that! Yeah that's what I'm talking about!

DEJI

Don't worry, don't worry I'm coming

TOBI

Very slowly I might add

DEJI

You must think you're funny

They concentrate on their game making all sorts of animated movements and sounds but are temporarily distracted when they hear the sound of a door opening

DEJI (CONT'D)

Is Frank at home?

TOBI

No be me and you come house together?

2.

While they are talking, Frank walks out with Bella

Deji's mouth drops open as soon as he sees them. Bella smiles at him, unperturbed

BELLA
Hi! I didn't know you stayed here
as well. Frank didn't mention it

FRANK
(with a meaningful look)
I was kind of carried away by other
things

He winks at her and she smiles shyly

BELLA
I have to get going...
(to Deji)
See you in class

She walks off and Frank escorts her out

TOBI
Isn't that the chick I saw standing
with you guys on the field today?
The one from our class?

DEJI
(through gritted teeth)
Can we just play our game please

Tobi shrugs and turns his concentration back to the game.
Deji is holding his game pad but is hardly pressing it as his
mind wanders

TOBI
Ha! Ha! Total Knockout! Now it's 4
to 1

Deji gets up and flings the game pad on the couch

TOBI (CONT'D)
Guy, na wetin na?!
