DOTUN 'CLUB CHIEF'

INT. SHADOWS - DAY

Dotun and Frank are seated facing each other. Kemi is seated beside Dotun, chatting with one of her friends. The other big guys are standing, manning the table they are seated to prevent interruptions or interference. Dotun seems comfortable in the environment as he leans across the table and pours Frank a drink as he speaks

DOTUN

So you're Frank, the same one
everyone has been talking about

FRANK

Me?

DOTUN

Are you not the one that drives the
black 2015 Camry?

FRANK

(cautiously)

Errr... yes

He stares at Frank for a moment making him feel very uncomfortable then unexpectedly stretches smiles as he gestures towards the drink

DOTUN

Relax! Take your drink

Frank looks anxiously at the two guys guarding the table.
Dotun catches the look

DOTUN (CONT'D)

Being the club Chief of the most
prestigious club on campus comes
with certain perks

FRANK

(in excitement)
