## JIM

INT. SHADOWS - DAY

Dance rehearsals are going on. Sade is in front dancing with a few other dancers being led by the dance instructor JIM, a young athletic looking guy

JIM  
Hold on guys!

He signals for the music to be cut off. He walks over to Sade

JIM (CONT'D)  
You're not getting that move, let  
me show you

He places his hand on Sade's waist turning her a bit too seductively towards him, Sade is uncomfortable and she stylishly removes his hands

SADE  
I get it now

JIM  
Okay great! Let's take it again  
from top!

The music comes back on and they do the dance sequence again. This time better than the first

JIM (CONT'D)  
Alright people! Let's call it a  
day. We meet tomorrow.

The music goes off and the dancers disperse, picking up their stuff and giving each other high fives as they leave

Sade goes to carry her bag and Jim follows her. Somewhere in the background, Benjamin is watching

JIM (CONT'D)  
You did really well today

SADE  
(smiles)  
Thank you, I practiced a lot this  
weekend

JIM  
I see... You could come over to my  
place for extra lessons if you like

SADE  
Err... Thanks but I really don't  
think that's necessary

JIM  
I insist; literally

SADE  
I don't think I get you

JIM  
Okay let me make it plain

He leans in to her and she leans back away from him

JIM (CONT'D)  
I always like to make sure the  
ladies on my team are "committed"  
to this on every level. How about  
you come to my place and show me  
how badly you want this?

Sade looks at him in shock

SADE  
Are you saying what I think you're  
saying?

JIM  
(smiling)  
I hope so

Sade grabs her bag and pushes him aside

SADE  
You dey crase!

She storms out and after a few seconds, Benjamin follows her
