JUNE

The smile on Tobi's face disappears as June slips in beside him. She leans towards him to give him a kiss but he moves away, looking around to make sure no one is paying them attention. He pulls her up to a corner, speaking in a hushed tone

SHADOWS - CONTINUOUS

Tobi drags June out and to a corner

TOBI

Why would you do such a thing?

JUNE

You were the one that told me we could not be together because I was with him

TOBI

We are...
(lowers his voice)
We are together, you didn't have to break up with him

JUNE

Honestly Tobi, I don't understand you. You told me to break up with him

TOBI

No I didn't! Why would I tell you to break up with him? He's such a nice guy. He's cool

JUNE

He's cool? Seriously?

TOBI

Well if he isn't why did you agree to date him in the first place?

JUNE

Let me get this because right now, I'm totally confused!

JUNE (CONT'D)

I'm supposed to be with you but you think my boyfriend... no, my ex-boyfriend is cool and I should be with him?

TOBI

I just don't want you to make any rash decisions

JUNE

How is it rash? You were the one who told me we could not be seen together in public because I am with him

TOBI

Yes

JUNE

(raises her voice)
So why are you suddenly giving me this crappy attitude

Tobi looks around, uncomfortable as people begin to give them curious stares

TOBI

Please lower your voice, people are staring!

June pauses, sulkily looking around, realizing he is right

JUNE

You obviously care a lot about what people think

TOBI

I'm just trying to be careful here

June holds his gaze a moment, grudgingly conceding

JUNE

Can we go somewhere else to discuss this?

TOBI

How about I come over to your place later to see you

June gives him a skeptical look but doesn't push it. She walks off and Tobi sighs, debating what to do. He walks off as well, taking a different direction from June
