KEMI

INT. FRANK'S HOUSE - LIVING ROOM - CONTINUOUS

Deji and Sade are as they were. The door bell rings. Deji goes to get the door

Kemi and her friend TOPE, walk in looking around

DEJI
Yes? Can I help you?

Kemi looks him up and down in a very condescending way. She whispers to her friend in a not so small voice

KEMI
He look like he's the one that
needs help

TOPE
Yeah, from the fashion emergency
brigade

They both burst out laughing as Deji examines himself. They walk past him and take a seat

SADE
Who be this ones?

KEMI
Excuse me?

SADE
I say who una be?

She turns to Deji

SADE (CONT'D)
You know them?

He shakes his head

TOPE
Are you sure we are in the right
house?

KEMI

I'm beginning to wonder myself.
Isn't this Frank's house?

SADE

Who wants to know?

KEMI

Well If you must know, my name is
Kemi. I'm the Freeman Club chief's
girlfriend and this is my friend
Tope

SADE

Oh! I thought you were about to say
you were the queen of England

KEMI

Wow she's literate. Who would have
guessed?

TOPE

She may be literate but she
definitely still needs to be
schooled in fashion

KEMI

I'm telling you, who wears plaid
with stripes?

They both burst out laughing again as Kemi makes a call

SADE

So you think because you're some
silly club chief's booty call you
think it's okay to just come into
someone's space and insult them?

DEJI

Just leave them Sade, you don't
have to go down to their level

KEMI

First of all if either of you were
coming to my level it would be an
upward movement, second, this is
Frank's house so unless you are his
wife I don't see how this is your
space, now could you get out of my
face so I can speak to the real
owner of this house

Deji sees that Sade is about to attack her and he quickly grabs her from behind. Calming her down as Kemi speaks on the phone

KEMI (CONT'D)
Hello.../Where are you? I think
we're in your house.../Yeah it's
the address you gave me but...

She looks at Deji and Sade again

KEMI (CONT'D)
...I have cause to believe you gave
me the wrong address.../ Alright
I'm waiting
