SADE

INT. FRANK'S HOUSE - LIVING ROOM - MOMENTS LATER

Frank is seated in the living room facing Sade who is giving him a look of disapproval because he added a dancer Sade had rejected to her callback list because he thought the girl was hot.

FRANK

What?! She's eye candy. I just wanted to have her come around that's all

SADE

Come I no dey follow you laugh o! You can't mess with my call back list. This is my thing! It's not a joke

FRANK

Chill! Geez... It's not that serious. Just tell her you changed your mind and she can no longer be on the team or crew, whatever you call it

SADE

What is wrong with you? You just don't mess with people's feelings just to entertain yourself.

FRANK

Will you quit! You sound like my mother

SADE

Exactly as I want am! Maybe if I sound like your mama your brain go correct

FRANK

I have apologized. I didn't mean to mess with your "thing". If you want me to tell her myself I will. I'm sure she'll understand

FRANK

SADE

(with slight disdain)

Exactly! Trust me in no time, you

Frank winks at her and Sade scowls at him as he walks out
