

CHARACTER: HOGAN

AGE: Early 40s

12. INT. UNDISCLOSED LOCATION- DAY

Hogan waits and then Nuhu drives up in his car, parks and walks over. Hogan raises his eyebrows

HOGAN

Oh...I see why you don't want the  
publicity...very bad for political  
business, eh?

Nuhu gives a wry smile

NUHU

Terrible, actually. But...

He brings out his phone and scrolls through. Hogan is deadpan

HOGAN

It could be any house with fake  
currency

He looks up at Nuhu

HOGAN (CONT'D)

If you don't mind my asking: why  
are you bothered with this? You're  
a billionaire's son...with ties to  
the Loko family in a way

Nuhu looks up at him

NUHU

Ties I am trying to sever. I have  
no intention of allowing these  
people to get away with their  
crimes...

Hogan chuckles

HOGAN

Somehow I don't think this stems  
from patriotism...but politics

NUHU

Does it matter? All that matters is  
that EFCC gets their guy...and I  
feel better for it

HOGAN  
Feel better?

NUHU  
Of course- then I can sleep that  
much better in my luxury knowing  
that I have done my service to my  
nation, eh?

Hogan chuckles and Nuhu grins
