28. INT. EFCC HEADQUARTERS- ABUJA- DAY

Hogan is with Bulus and Musa in his office, with Timfa.

HOGAN

So, since Loko is out of the country and we have no way to get to him on time...we will focus on his son instead. We have enough to nab that one. Perhaps when Loko hears the son is in custody he will make a move

MUSA

How soon do we move?

HOGAN

Tomorrow morning. We will get the necessary documents in place and we move, around 6 a.m

TIMFA

Uh...is he here in Abuja? I thought he was still in Kowa

HOGAN

Intel tells me he is in Abuja now...

TIMFA

I think he may be planning to travel out of the country soon,

HOGAN

How do you know?

TIMFA

My friend works for one of the airlines he is known to use and I went ahead, on a hunch, to ask if there were any bookings for Dikko Loko. She said there was...

Bulus looks impressed

BULUS

Ah ah? That is quick thinking- well done!

Timfa beams and shrugs

TIMFA

I learned from my Oga here na

They all laugh

TIMFA (CONT'D)

Na wa o. It's like they are  
desperate to run away

HOGAN

Of course, with the kind of scandal  
on them? I am even surprised the  
man is still involved in politics  
so deeply

TIMFA

Hmmmm some people just have liver

MUSA

And stolen money to help that liver

They all laugh and Hogan turns to Timfa

HOGAN

Musa is heading back to Kowa from  
here. Bulus and I will be part of  
that team tomorrow. I need you to  
be there too

TIMFA

Ehn? Oga Hogan, you have never  
allowed me join you. This is good  
o...

Hogan and Bulus laugh

HOGAN

No be American film o! Na Police  
tinz!

TIMFA

It is my honour o. I will not fail

HOGAN

I know na. You have never failed me  
before

Timfa smiles

FADE TO.
